

Ohio University BRICKS General Education Requirements

BRICKS is Ohio University's general education program, and requirements must be fulfilled by all baccalaureate degree students. BRICKS includes a minimum of 38 credit hours across five categories: Foundations, Pillars, Arches, Bridges, and Capstone.

Students who complete the minimum requirements of the Ohio Transfer 36 (OT36, formerly the Ohio Transfer Module), at another college or university prior to enrollment in a degree-seeking program at Ohio University will receive transfer credit equivalent to fulfilling Ohio University's BRICKS general education requirements in Foundations (excluding the Advanced Writing component, which requires completion of TME 002 Second Writing), Pillars, and Arches. If you have not completed the OT36 your courses will be evaluated on a course-by-course basis and will apply toward general education requirements as appropriate.

Individual courses completed that meet state guaranteed equivalences for the OT36, yet have no course equivalency at Ohio University will transfer to meet select requirements for Ohio University's BRICKS as follows:

Ohio Transfer 36 Category	BRICKS Category	BRICKS Component
TME 001 First Writing	Foundations	Written Communication
